28TH JULY 1882, No. 1914 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

No. 147.

READ—the following letter from Lieutenant-Colonel W. H. BURTON, R.E.,
Officiating Superintending Engineer, Fifth Circle, to the Chief Engineer,
Public Works Department, dated Chepauk, 15th June 1882, No. 966 :—

I have the honor to submit for sanction a revised estimate of Rs. 5,760 for
repairing the Head Assistant Collector's
Cutcherry and out-houses at Vriddhā-
chalam in the South Arcot Division.

One Detailed Estimate.	2. An estimate of Rs. 2,300 was
„ Abstract Estimate in duplicate.	sanctioned for the work in G.O.,
„ Plan.	No. 2786 W., dated 8th July 1878, but
„ Specification.	its execution was deferred owing to orders
„ Report.	restricting expenditure issued in 1878 and 1879 and to subsequent changes in the
„ Data List.	department.
„ Comparative Statement.	

3. The work was undertaken in 1881-82 from the budget grant of Rs. 3,000 ;
owing to the lapse of time since the original estimate was prepared additional repairs
and therefore a revision of the estimate were rendered necessary. The revised
estimate provides for all repairs now necessary including re-roofing of the whole
building by replacing the old palmyrah timbers with first-class teak and new doors and
windows where required. The excess over several sub-heads are fully explained in
the report and comparative statement accompanying the estimate.

4. As will be seen from the comparative statement, the work has already been
carried out to an extent of Rs. 2,400. The expenditure up to 31st March last was
Rs. 2,253, leaving a balance of Rs. 3,507 to be allotted in the current year. The
lump sum grant for repairs to Civil Buildings at the Executive Engineer's disposal is
now Rs. 1,580, and I would therefore suggest that if the estimate for the Collector's
Cutcherry (Budget Item No. 3) is not likely to be sanctioned at an early date (*vide*
my letter No. 696, dated 29th May 1882,) a portion of the grant of Rs. 20,000 for
the work be appropriated to provide the balance required for completion of the repairs
to the Head Assistant Collector's Cutcherry.

No. 148.

ORDER—dated 28th July 1882, No. 1914 W., Public Works.

The revised estimate, amounting to Rs. 5,760, for improvements to the Head
Assistant Collector's Cutcherry and out-houses at Vriddhāchalam in the South Arcot
Division is sanctioned.

2. The excess of Rs. 3,460 over the original estimate for Rs. 2,300 sanctioned in G.O., No. 2786 W., dated 8th July 1878, is explained in the letter above recorded.

3. Rs. 2,253 were spent on the work up to the end of the last official year, and the balance required, Rs. 3,507, is allotted from the Provincial Reserve.

4. This sanction has been registered as Provincial No. 66 W. of 1882-83, and classified as Civil Buildings, Original Works.
