No. 125.

READ—the following papers:—

Telegram from the Secretary to Government, Public Works Department, Madras, to the Secretary to the Government of India, Public Works Department, dated 14th November 1882.

Lambert, Superintending Engineer, has arrived. Before assigning him any specific survey this Government would prefer to await decision in regard to the general question of tramways for famine zone in this Presidency which will be submitted in ten days. If however it is considered better at once to utilize his services they advise preliminary survey of, first, Kurnool line, second Nellore. For the first, Lambert requires two Executives and four Assistants fully equipped as soon as possible to utilize the cold weather.
