GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—again the following paper :—

G.O., dated 5th April 1882, Mis. No. 503 R., Judicial.

Read—the following letter from W. S. FOSTER, Esq., Government Agent, Godáviri District, to the Chief Secretary to Government, dated Cocanada, 3rd March 1882, No. 11 :—

Government, in their Order, dated the 25th October last, No. 2514, in the Public Works Department, ordered the construction of the necessary buildings at Raghudevapuram for the temporary residence of the Special Assistant Agent unless there is already a bungalow there that can be utilized for the purpose. At Raghudevapuram there is an old bungalow used as the Deputy Tahsildar's cutcherry, but both the Special Assistant Agent and the Superintending Engineer decided after personal inspection that this building as well as its locality are quite unsuitable for the residence of a European officer. The Superintending Engineer therefore asks me what accommodation should be provided in preparing plans and estimates for the buildings. Before replying to the Superintending Engineer I beg to suggest to Government that the subject be ordered to lie over for the present as it is advisable to do everything in order. The first thing to be done is to decide the question of extending the Agency tract; next the division of the district between the several Divisional Officers has to be made; and it is then that we should think of deciding where the several officers are to reside at different times of the year. I must say I do not like Raghudevapuram as a residence for the Special Assistant Agent.

Order—dated 5th April 1882, Mis. No. 503 R., Judicial.

This reference is not understood. The G.O., dated 11th February 1882, No. 384 W., of the Department of Public Works was duly communicated to the Agent. It sanctioned the estimate for the Special Assistant's quarters at Raghudevapuram, as selected by the Special Commissioner, and to this the Government adhere.
