GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers:—

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Ootacamund, 13th June 1882, T. No. 1739.

The Sub-Registrar of Dharmapuri, in the district of Salem, reports:—

“The room in which I now hold office is, I beg to submit, small, unsafe for the custody of valuable records, and unsuited to the requirements of a growing Registration Office.

“A new Taluk Cutcherry is in course of construction here, and yet I learn that no provision whatever has been made for the Registration Office.”

2. I have the honor, therefore, to request that the sanction of the Government may be obtained for the erection of an office for the Sub-Registrar, on the standard design, at Dharmapuri, close to the Taluk Cutcherry.

No. 289.

Referred to the Collector of Salem for report whether accommodation is not provided in the new Taluk Cutcherry, and, if not, whether provision can be made.

OOTACAMUND,
17th June 1882.

(Signed) G. S. FORBES,
Acting Under Secretary.

From C. D. MACLEANE, Esq., Acting Collector of Salem, to the Chief Secretary to Government, dated Salem, 23rd September 1882, No. 2061.

Replying to your reference No. 289, dated 17th June 1882, I have the honor to state that no provision is made in the Dharmapuri design for accommodation for the Sub-Registrar, and on inspecting the building now laid out on the ground I do not think that room could be made for him. I am opposed to spending more money on the building, the estimate for which is already high, by making addition to it. I have no information as to the standard design for Sub-Registrar's Office mentioned by the

Inspector-General of Registration.* When the new Taluk Cutcherry is ready, the old Cutcherry in the middle of the town will be vacant.

No. 1084.

Referred to the Inspector-General of Registration for report, how the old Taluk Cutcherry may best be made available for the purposes of a Registration Office, and how much of it will be needed.

9th October 1882.

Acting Under Secretary.

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 31st October 1882, G. No. 2960.

With reference to the Proceedings of the Government, Judicial Department, No. 1084, dated the 9th October instant, I have the honor to transmit a plan of the old Taluk Cutcherry at Dharmapuri, in the district of Salem, and to state that the portion enclosed in by a red pencil line will, in my opinion, be sufficient for the Sub-Registrar's Office.

2. The manner in which this portion should be arranged to adapt it for the Sub-Registry Office will form the subject of correspondence with the Executive Engineer of the district, in the event of the Government sanctioning the transfer of the building to this department.

3. The letter from the Collector of Salem is herewith returned.

ORDER—dated 13th November 1882, No. 1808, Judicial.
