Surrenders.

Ordered that certain — from the Budget allotment of Rs. 3,02,464 for Original Works, Military, be made to the Government of India.

No. 182-F.

From K. F. NORDMANN, Esq., Officiating Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Bellary, 16th September 1882, No. 1060.

I have the honor to report that a sum of Rs. 5,000 from the grant of Rs. 21,500 for the stables for one Field Battery at Bellary, Item No. 6, Imperial Budget of 1882-83, is available for transfer, as it is not likely that the estimate for the work will be sanctioned before the end of this month.

2. With reference to G.O., No. 1610 W., dated 27th June 1882, I beg to state that materials are being collected; but nothing further can be done, as the plan recommended by the Officer Commanding the Royal Artillery deviates from the standard plan. For this reason I hesitate to commence building until the revised plan, which has been sent to the Military authorities, receives the sanction of Government.

3. After sanction of the estimate has been communicated, it will take nearly twelve months to complete the work; hence I think I am quite safe in surrendering Rs. 5,000 of the current year's allotment.

No. 182-G.

ORDER—dated 22nd September 1882, No. $\frac{2470}{A.}$ W., Public Works.

The following surrenders will be made to the Government of India, who will, however, be requested to allow the works to progress; particularly the stables for a Field Battery of Artillery at Bellary, it being of the greatest moment that protection for horses in Southern India should be provided. Meanwhile advice will be sent to the Government of India by telegram:—

With reference to your telegram, dated 15th instant, I have the honor to explain that the covered Gymnasium in *Fort St. George*, Budget item No. 7, is the only work from which funds are surrendered, viz., Rs. 2,500. Rs. 10,000 can also be given up from the Rs. 80,000 allotted for the Exchange House in G.O., No. 1493 W., dated 15th June 1882, as the purchase is likely to be effected within Rs. 70,000.

READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 13th October 1882, No. 2532:—

With reference to G.O., No. 2526 W., dated 27th September 1882, I have the honor to report that the Executive Engineer at the Presidency proposes to surrender Rs. 3,499 from the budget grant for additional married quarters for European Non-commissioned Officers of the "Queen's Own" Sappers and Miners at Bangalore; Item No. 12, Rs. 5,240. The amount required for the dummy wagons is for Bangalore Rs. 2,700 and for the Mount Rs. 965, or together Rs. 3,665. There are so many demands on the grants for Minor New Works that there is no money to spare, and I would propose that Rs. 3,499 being transferred as above the balance Rs. 166 may be taken from the allotment of Rs. 22,000, Item No. 2 of the budget for the Artillery Barracks at the Mount.

No. 89.

ORDER—dated 16th October 1882, No. 2689 W., Public Works.

The transfers of funds proposed in the above letter are sanctioned subject to the approval of the Government of India, which will be applied for in the usual form.

2. The Superintending Engineer will see to the early completion of the dummy wagons, submitting estimates in the meanwhile for sanction.
