GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

No. 147.

READ—the following papers:—

From G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 4th November 1882, No. 1816 G.D.

An old "marine engine," formerly belonging to the Upper Godavari Works, but transferred to the Delta works some five years ago, was sent to the Sangum Works last December. Captain Campbell now reports that he wants it no longer and that in his opinion it is "not worth the cost of carriage" back here, and I therefore have the honor to request permission to have it sold by auction by Captain Campbell.

2. It stands in the books at the value of only Rs. 300.

No. 147-A. OFFICE NOTE from the Examiner of Public Works Accounts, dated 21st November 1882, No. 699.

The engine in question was transferred numerically from the Godavari Eastern Division to Sangum Project Division in December 1881, but before saying positively whether its original cost was debited to Irrigation or Provincial it would be necessary to refer to the Executive Engineer, Godavari Eastern Division.

2. As it was never brought on to the Godavari returns and does not appear in the list of Irrigation Plant printed with G.O., No. 510 I., dated 7th August 1880, it may be classed under "Provincial."

(Signed) D. C. GORDON,
Examiner of Public Works Accounts.

No. 148.

ORDER—dated 24th November 1882, No. 3105 W., Public Works.

The proposal of the Superintending Engineer is sanctioned.

2. Care should be taken that the sale proceeds are credited to the proper Fund.
