NOTES.

REFERENCE TO MADRAS P. W. D. CODE.

CHAPTER III.—PARAS. 231 A AND 231 B.

1. This Form is intended for submission monthly by Superintending Engineers to the Chief Engineer, P. W. D., and is merely a general abstract for each Division contrasting outlay with Budget Grants under each head. It will be open to the Chief Engineer to call for, or to Superintending Engineers to submit, Progress reports for Individual Works in Form M 85 B or M 85 C, where such a course may appear desirable.

2. It is to be understood that these returns are not accounts, and that although the figured entries should be as accurate as circumstances will allow, promptitude and regularity in their submission is of more importance than minute accuracy; they should as a rule leave the Superintending Engineer's Office by the middle of the month after that in which the Expenditure has been incurred. No annas or pies should appear in them.
