From R. E. HAMILTON, Esq., Officiating Assistant Secretary to the Govern-
ment of India, Department of Finance and Commerce, to the Chief Secretary
to Government, dated Simla, 27th October 1882, No. 4506.

With reference to the correspondence ending with your letter, No. 1368, Miscel-
laneous, dated 29th September 1882, I am directed to state, for the information of the
Government of Madras, that the orders issued by the Secretary of State for India in
1876, to the effect that stores not produced or manufactured in India should be
obtained, as far as possible, by dealing with merchants or agents on the spot, are not
now in force, and that in accordance with the instructions contained in paragraph 5
(copy enclosed) of the Secretary of State's Despatch, No. 166, dated 27th May 1880,
all stores required from England must be obtained by indent on the Store Depart-
ment of the India Office.

2. The purchase in the local market of English type, &c., required for the
printing presses attached to the Collectors' offices in the Madras Presidency should
therefore be discontinued.

ENCLOSURE.

EXTRACT from a Financial Despatch from Her Majesty's Secretary of State for India, No. 166,
dated 27th May 1880.

Paragraph 5. I have now to desire that orders may be issued directing that, when stores are
of such a nature that they have to be purchased in England, there shall be no departure from
the system of forwarding an indent on the Store Department of this Office, which is the proper
agent of the Government for the purchase of stores in this country, and that the purchase in
the local market of such special stores as railway plant and material be limited to articles usually
procurable in the local market, and be not extended to purchases in England either directly or
through agents. In so doing, however, it should be again announced that it is the wish of the
Government to give the utmost encouragement consistent with true economy to the supply of
articles by the local market.
