Proceedings of the Government of India, Department of Finance and Commerce, dated Simla, 27th October 1882, No. 4546.

Accounts and Finance—Stores.

Read—again, the undermentioned papers regarding the supply of stores required for the public service in India:—

Financial Resolution, No. 3574, dated 3rd November 1880.

Do. " 953, " 10th June 1881.

Office Memorandum to the Public Works Department, No. 137, dated 22nd April 1881.

Do. do. " 1844, " 20th July "

Read—also—

Office Memorandum from the Public Works Department, No. 202-A.G., dated 11th May 1882, forwarding returns showing articles of European manufacture purchased locally for the Irrigation Branch of the Public Works Department in the North-Western Provinces during 1879-80 and 1880-81.

Resolution—

From the returns forwarded by the Public Works Department a list has been prepared, and is appended to this Resolution, showing articles which, on the information before the Government of India, it is possible to obtain of Indian manufacture; and His Excellency the Governor-General in Council directs that in future these articles shall be procured of Indian manufacture whenever it is possible to obtain them of quality good enough for the purposes for which they are required and at prices not higher than the cost of articles of similar quality imported from England. In no case should articles of these classes or of others which the country is capable of supplying be indented for until experience has shown that the locally-manufactured articles are substantially inferior in quality to, or dearer than, similar articles supplied under indent from the Secretary of State.

2. Officers should take particular care to avoid purchasing, as articles nominally of Indian manufacture, tools and other similar articles evidently imported from Europe or America.

3. When the price at which particular articles can be obtained through the agency of the India Office is not known, reference may be made to the Director-General of Railways.
