On an Estimate for Rs 2000
Sanctioned in G.O. No. 896 W dated
1st April 1881 the work of extending
the Protestant Cemetery at Cochin
is being carried out.

At the request of the Incumbent
of the Government Church at Cochin
the Estimate now forwarded has
been made to rebuild the wall between
the Jewish and Protestant Cemetery
(a length of 71 ft) this wall being
found to be in a bad condition.

The Incumbent states that the
wall is the property of the White
Jewish Community.

The

The Supg Engineer sees no
necessity for the rebuilding of this
wall and considers that demarkation
stones might be put down as is done
in other Cemeteries to separate the
ground used by different sects for
burials.

He does not agree with the reasons
given by the Incumbent for the
renewal of this wall in his letter
No 437 forwarded and considers
that the White Jews may be given
the opinion of the renewal of the
Wall and the putting down of
demarkation stones by Government
at a probable cost of Rs 25 or the
renewal of it at their own expense.
