READ—the following papers:—

From the Venerable G. WARLOW, M.A., Archdeacon of Madras, to the Chief
Secretary to Government, dated Madras, 8th November 1882, No. 577.

I have received from the Rev. E. Crampton, Minister in charge of Tranquebar,
an estimate for repairs to the church at that station, amounting to Rs. 275.

2. In his letter Mr. Crampton informs me that there is a large Endowment
Fund belonging to the church in the hands of the Accountant-General.

3. If this be the case, I have the honor to ask that I may be permitted to debit
the cost of the repairs to that fund, and not to the allotment placed at my disposal
from State Funds.

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Chief Secretary to
Government, dated Fort St. George, 22nd November 1882, No. 4318.

Book Department.

I have the honor to return the letter, No. 577, dated 8th November 1882, from
the Venerable the Archdeacon of Madras, received with your endorsement, No. 1279,
dated 10th November 1882, and to report as follows.

2. The church alluded to by the Archdeacon appears to be the Zion Church at
Tranquebar, the funds of which were transferred to the custody of this office in 1879-80
under the Madras G.O., Ecclesiastical, No. 203, dated 4th September 1879. The
funds now amount to Rs. 9,600 in Government of India Stock Certificates (vide
account rendered with this office No. 4207, dated 10th November 1882) and Rs. 1,081
in cash.

3. Since the funds came into the custody of this office, i.e., in 1880-81, Rs. 960,
being the cash then available, was disbursed for the repairs, &c., of the church under
the Madras G.O., Ecclesiastical, No. 275, dated 17th December 1879, and letter from
the Archdeacon, Madras, dated 8th March 1880.

ORDER—dated 30th November 1882, No. 177, Ecclesiastical.

The correspondence quoted by the Accountant-General has already been com-
municated to the Venerable the Archdeacon.

2. There will be no objection to meeting the charge in question from the balance
at the credit of the fund. It is observed that more than a thousand rupees were
spent for a similar purpose in 1879.

3. It is presumed that the Public Works Department have been consulted as to the necessity of the repairs.
