No 3233 Wd 9th Decr 1882
To,

The Secretary to the
Govt. of India,
S. W. Dept

Sir,

Adverting to your letter No 456 B dated 13th ultimo reminding this Government that no outlay in excess of Rs 15,000 — should take place on work to Government House Ootacamund not provided for in the last sanctioned Estimate without the previous sanction of the Government of India

I am desired to say
that opportunity was
taken of the presence of
the Honble Major
Baring to discuss the
present position of matters
which would appear to
call for relaxation
of the orders conveyed
to admit of some urgently
required work being
carried out before the
building has to be again
occupied by His Excellency
the Governor next season
and certainly previous
to the setting in of the
S.W. monsoon.

2. From the Proceedings

of this Government G.O.
19th August 1882. No. 2139 W
it will be observed
that on a general review
by a Committee of the
condition of the buildings
forming portion of the
old Norwood property,
in which His Excellency's
Staff and the Government
House Establishment
have since its acquirement
been housed, it became
evident that hardly
a single one of these
(all of the old bungalows
originally built by private
individuals on an incon-
-venient plan and in the

bad materials) could
be looked on as
suitable residences or
even as being healthy
^{in their present condition}
3. The last heavy
monsoon has not only
demonstrated the validity
of the opinion formed
by the Committee, but
proved conclusively that
one or two of the buildings,
e.g. that known as
Lower Norwood, which
has been detailed as
the residence for His
Excellency's Military
Secretary, must be taken
in hand on emergency
4. The estimates are

now in preparation,
the orders conveyed,
I. M. G. No. 2139 W,
as there is much detail
to be gone through before
these could be in a
condition to submit
for the final sanction
of the Government of
India I am to solicit
the favor of such a
relaxation of the orders
conveyed in the letter
under reply as will
admit of the most
essential work being
pushed on at once.
5. I am to say in
reference to this that

work will be
commenced under the
following items (see
the above G.O.) till
the sanction of the
Govt of India has
been received viz:-

Aides-de-Camp Quarters

M Rs 11,000

Small Cottage

by the Tern House

P " 1,200

Bungalow Q 1,200

All works clasped as
being of "less urgency"

6. Every effort

will also be made to

reduce the requirements

specified in the order

of this Government
and so far as concern
the outlay of the current
year, provision can be
made from the reserve
of the Provincial P.W.
Budget with the slight
addition of Rs 27,000,
which has in fact been
already arranged for.
7. The Honble Major
Baring has seen the
buildings and made
himself it is believed
fully acquainted with
the reasons which have
influenced the Govt
in their decision to

al with the subsidiary
buildings in a manner
which was not ^{originally} ~~previously~~
contemplated, but
which Experience has
shown to be absolutely
necessary. He has also
expressed himself generally
satisfied as to the
measures proposed for
meeting the outlay
from Provincial for
the current year.

ORDER—dated 1st December 1882, No. 1499, Public.

In its issue of Tuesday, November 7th, inst, the *Madras Times* Newspaper published at length the Minute recorded by His Excellency the Governor relating to his tour undertaken in July last—a confidential document which, as the Editor must have been well aware when the paper came to his hands, had not been placed by the Government at the disposal of the Press.

2. In reply to the inquiry made on the subject by the Editor, the Rev. J. F. Spencer, expresses no regret for his conduct, and on the contrary takes credit to himself for having given publicity to a paper which he had irregularly obtained, refusing at the same time to explain how he had come to be possessed of the same.

3. In the circumstances the only course open to Government is to give effect to the G.O., dated 30th November 1865, on the subject, and to direct the removal of the *Madras Times* from the list of newspapers to which papers placed at the disposal of the Press.

4. The Editor is directed to cease to utilize the space reserved for their advertisements.
