Sir,

Enclosures.

I have the honor to state that the alterations  
of Stonehouse necessitate obtaining No. 70  
Sheets of zinc which by the strict letter of G.O.  
No. 3164 W Public Works Department dated  
1<sup>st</sup> December 1882 should be obtained from  
England. As the delay likely to arise will  
be very great if an indent is made on the  
Secretary of State. I solicit sanction to  
purchase these sheets in the local market
