No. 76.

READ—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Engineer, Public Works Department, dated Cannanore, 1st December 1882, No. 326 :—

With reference to G.O., No. 1134 W., dated 4th May 1882, I have now the honor to submit, for the approval and sanction of Government, the accompanying plan and estimate amounting to Rs. 1,500 for providing accommodation for the Hospital Assistant attached to the Cannanore Central Jail.

2. I would suggest the pillars of the verandah be constructed with laterite instead of wood, as being better suited to the climate of the West Coast. The whole of the wood-work should be tarred.

3. The work can be carried out departmentally with convict labor under the direction of the Superintendent of the Jail. I have reduced the estimate from Rs. 1,680 to Rs. 1,500, and it is probable that a still further saving may be effected by employing prison labor. Funds are available for this work from the Convict Labor Fund. Early sanction is requested in order that the work may be completed before the close of the current official year.

No. 77.

The estimate, amounting to Rs. 1,500, for constructing Medical Subordinates' quarters with out-houses in the Central Jail at Cannanore, is sanctioned for execution by the Jail Department.

2. The suggestions of the Inspector-General of Jails in paragraph 2 of his letter above recorded are approved.

3. This sanction has been registered as Provincial No. 181 W. of 1882-83, and classified as Civil Buildings, Original Works.

NOTE OF REMARKS.

The Estimate with Plan & specification for Constructing Medical Subordinates' Quarters & Orphanage in the Central Jail at Cannanore in the Criminal Division, Amount Rs 1500.

The same plan as Constructed at Salem Jail has been adopted in this case, with a little addition to the roof to suit the climate.

The Insp. Genl of Sails suggests, the pillars of the Veranda be Constructed with Latent instead of Wood, as being better suited to the climate of the West Coast & the whole of the Wood work should be tanned.

The Work will be carried out by the Jail Dept with Cannanore, under the direction of the Supdt. of the Jail.

The Roof timbers being of Single wood. The scantlings are slightly in excess of the standard.

The Halls entered more or less agree with the Brit schedule.
