No. 86.

READ—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Engineer, Public Works Department, dated Cannanore, 30th November 1882, No. 325 :—

I have the honor to forward, for the sanction of Government, the accompanying estimate, amounting to Rs. 750, for repairing the roof of the European Prison at Ootacamund.

2. The terraced roof over the entrance hall and guard-room, as well as that over the hospital and front verandah, leaks badly. Repairs have been made from time to time, but it has now become necessary to remove the whole of the old cracked surface, as detailed in the specification report accompanying the estimate.

3. The work can be given on contract, and will be supervised by the Superintendent of the Prison. Funds are available from the allotment granted to the Jail Department for "Petty Construction and Repairs."

No. 87.

ORDER—dated 12th December 1882, No. 3282 W., Public Works.

The estimate, amounting to Rs. 750, for repairing the roof of the European Prison at Ootacamund, is sanctioned for execution by the Jail Department.

2. This sanction has been registered as Provincial No. 182 W. of 1882-83, and classified as Civil Buildings, Repairs.
