ENCLOSURE No. 1.

From the Examiner, Public Works Accounts, Madras, to the President, Local Fund Boards, Ganjam, dated 22nd December 1881, No. 295-C.O.

2. The expenditure was incurred in August 1881, but for want of information as to the circles to which it appertained the outlay was provisionally debited to Vizagapatam Circle. The information having since been received from the Executive Engineer, Vizagapatam Division, the necessary write back was made in the month of September 1881.

Resolution—dated 20th February 1882, Mis. No. 1571.

The President is requested to ascertain and report when and under what authority the lands referred to were taken up. The charge, if not provided for in the budget, must be met from either the Road Fund Reserve or Balance, after obtaining

the Board's sanction for allotment of funds. The President should also in the first instance lay the matter before the Local Fund Board and obtain their concurrence for incurring the charge.

I have the honor to inform the Board that expenditure, amounting to Rs. 92 and Rs. 100-11-5, respectively, as per particulars given below, was incurred by the Department of Public Works on account of the Chatrapur and Chicacole Circles Local Fund Boards, and advised by the Examiner for adjustment in this office in his Exchange Account Current for September 1881. The President of the Ganjam Local Fund Boards objects, however, to the inclusion of these charges in his Local Fund Accounts for 1881-82 on the ground of the want of the necessary allotments, referring me to Proceedings of the Board, Miscellaneous No. 1571, dated 20th February 1882.

2. The charge should be provisionally accepted by the Local Fund Boards in their accounts of 1881-82 pending final clearance ; I, therefore, request the Board will be pleased at an early date to authorise me to make the necessary adjustments in the account of the past official year.

Read—the following letter from H. St. A. GOODRICH, Esq., President of the Local Fund Boards, Ganjam District, to the Secretary to the Board of Revenue, dated Chatrapur, 29th May 1882, No. 2031 :—

With reference to the Proceedings of the Board of Revenue, dated 11th instant, G.R. No. 2509, I have the honor to state that the amounts required by the Account-ant-General to be adjusted from Local Funds represent land compensation, &c., for the roads noted in the margin.

2. Road from Aska to Ganjam *viâ* Purushottapur.
3. Road from Aska to the Trunk Road *viâ* Sérgadá.

Chicacole Circle.

4. Road from Pata Chicacole to Mofuzbunder.

2. Of these four roads the first two appear to have been constructed out of Imperial Funds (*vide* paragraph 5 of the then Collector's letter, dated 30th September 1875, Miscellaneous No. 8869, printed in the Board's Proceedings, dated 28th March 1876, No. 849), and as such compensation for lands taken up therefor should be charged to Imperial but not Local Funds as already stated by the Board in paragraph 3 of their Proceedings, dated 23rd August 1875, No. 2364, recorded in G.O., 18th September 1875, No. 1378.

3. With regard to the remaining two roads, I have asked the Executive Engineer for the information called for by the Board in their Proceedings, dated 20th February last, No. 1571, Miscellaneous. On its receipt I shall address the Board on the subject of these roads, applying, if necessary, for an allotment to adjust the expenditure incurred thereon. I beg that the adjustment required by the Accountant-General may be postponed till then.

Read—the following letter from H. F. CLOGSTOUN, Esq., Officiating Accountant-General to the Government of Madras, to the Secretary to the Board of Revenue, dated Fort St. George, 29th September 1882, No. I.B.D.-310 :—

With reference to the Proceedings of the Board of Revenue, Mis. No. 7051, dated the 11th September 1882, I have the honor to forward copy of letter, No. 165-P, of the 5th September 1882, and of its two enclosures, intimating that the roads alluded to by the President, Local Fund Board, Ganjam, in his letter recorded in the above Proceedings are not under the charge of the Public Works Department, but under the Local Fund Board, having been transferred to them in April 1880. No other course is open to me, therefore, than to debit to the Local Fund Board, Ganjam, the sums expended on account of those roads in May 1881. This course, therefore, I have been compelled to follow. It will rest with the President to address Government if dissatisfied with the debit.

ENCLOSURE No. 1.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Accountant-General, Madras, dated 5th September 1882, No. 165-P.

In continuation of my letter, No. 142-P, dated 9th August 1882, I have the honor to forward herewith copies of the correspondence noted in the margin, from which it will be seen that the four roads therein referred to in connection with the debit of Rs. 192-11-5 to Local Funds in the Public Works Exchange Accounts for September 1881 are not under the charge of the Public Works Department, and consequently the item in question remains to be responded to by you.

Letter to the Superintending Engineer, First Circle, No. 216-S.E. 1st, dated 28th July 1882, and letter from the Superintending Engineer, No. 383-V.Z., dated 24th August 1882.

Copy of letter from the Examiner, Public Works Accounts, to the Superintending Engineer, First Circle, No. 216-S.E. 1st, dated 28th July 1882.

I have the honor to bring to your notice that a sum of Rs. 192-11-5 was debited to Local Funds in the accounts of the Vizagapatam Division for the month of September 1881 on account of the works noted in the margin.

1. Compensation for land taken up from Berhampore to Digupúdi.
2. Compensation for land taken up from Aska to Ganjam *viâ* Purushottapur.
3. Compensation for land taken up from Aska to Trunk Road *viâ* Sérgadá.
4. Compensation for land taken up from Arasavilli to Mofuzbunder.

2. The Accountant-General, Madras, refuses to adjust this debit, as he states that the President, Local Fund Board, Ganjam, objects to accept the charge as a portion of the outlay does not belong to Local Funds under Act IV of 1871 but to Imperial.

3. The Executive Engineer, Vizagapatam Division, in his letter, No. 2990, dated 15th February 1882, reported that the roads under reference are not under the charge of the Public Works Department.

4. I request, under the above circumstances, you will kindly inform me whether any of the roads in question are Imperial, for, if so, it is not understood why the Executive Engineer, Vizagapatam Division, stated that the roads were not under the charge of the Public Works Department.

Copy of letter from the Executive Engineer, Vizagapatam Division, to the Superintending Engineer, Dowlaishweram, No. 1240, dated 17th August 1882, and Endorsement by J. C. LARMINIE, Esq., Executive Engineer, in charge First Circle, dated 24th August 1882.

With reference to your endorsement, No. 351-V.Z., dated the 4th August 1882, I have the honor to inform you that none of the roads therein referred to are under the charge of the Public Works Department.

2. The first-mentioned road, viz., "Road from Berhampore to Digupúdi," was commenced as a Famine Relief Work and an expenditure of about Rs. 7,000 incurred but subsequently postponed. Plans and estimates for completing the road were submitted by Major Smalley, R.E., late District Engineer, Ganjam, to the Local Fund Board for sanction.

3. The rest of the roads are now under the charge of the Local Fund Board and were transferred to them in April 1880 with the transfer of Local Fund Works.

2. The Accountant-General has, at the instance of the Examiner of Public Works Accounts, debited to the Local Funds of the Chatrapur and Chicacole Circles the sum of Rs. 192-11-5 on account of compensation paid in 1880-81 for lands taken up for four roads, three in the former and one in the latter circle.

3. The President points out that the undermentioned two roads were constructed out of Imperial Funds, and that the compensation due for the lands taken up for them should be paid from the same source—

1. Road from Berhampore to Digupúdi.
2. Road from Aska to Ganjam *viâ* Purushottapur.

A part of the compensation seems to have been paid from Provincial Funds under G.O., dated 21st April 1876, No. 518. The sanction of Government is requested for payment of the remainder, Rs. 50-11-0, from the same source to the credit of Local Funds. No reason is assigned for this sum having been omitted in the accounts submitted by the Collector in 1875.

4. The Accountant-General's debit to Local Funds of the cost of the remaining two roads is approved.

Read—the following letter from H. St. A. GOODRICH, Esq., President of the Local Fund Boards, Ganjam District, to the Secretary to the Board of Revenue, dated Chatrapur, 29th May 1882, No. 2031 :—

With reference to the Proceedings of the Board of Revenue, dated 11th instant, G.R. No. 2509, I have the honor to state that the amounts required by the Accountant-General to be adjusted from Local Funds represent land compensation, &c., for the roads noted in the margin.

Chatrapur Circle.

1. Road from Berhampore to Digupúdi.
2. Road from Aska to Ganjam *viâ* Purushottapur.
3. Road from Aska to the Trunk Road *viâ* Sérgadá.

Chicacole Circle.

4. Road from Pata Chicacole to Mofuzbunder.

2. Of these four roads the first two appear to have been constructed out of Imperial Funds (*vide* paragraph 5 of the then Collector's letter, dated 30th September 1875, Miscellaneous No. 8869, printed in the Board's Proceedings, dated 28th March 1876, No. 849), and as such compensation for lands taken up therefor should be charged to Imperial but not Local Funds as already stated by the Board in paragraph 3 of their Proceedings, dated 23rd August 1875, No. 2364, recorded in G.O., 18th September 1875, No. 1378.

3. With regard to the remaining two roads, I have asked the Executive Engineer for the information called for by the Board in their Proceedings, dated 20th February last, No. 1571, Miscellaneous. On its receipt I shall address the Board on the subject of these roads, applying, if necessary, for an allotment to adjust the expenditure incurred thereon. I beg that the adjustment required by the Accountant-General may be postponed till then.

Resolution—dated 11th September 1882, Mis. No. 7051.

With reference to the Proceedings of the Board of Revenue, Mis. No. 7051, dated the 11th September 1882, I have the honor to forward copy of letter, No. 165-P, of the 5th September 1882, and of its two enclosures, intimating that the roads alluded to by the President, Local Fund Board, Ganjam, in his letter recorded in the above Proceedings are not under the charge of the Public Works Department, but under the Local Fund Board, having been transferred to them in April 1880. No other course is open to me, therefore, than to debit to the Local Fund Board, Ganjam, the sums expended on account of those roads in May 1881. This course, therefore, I have been compelled to follow. It will rest with the President to address Government if dissatisfied with the debit.

ENCLOSURE No. 1.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Accountant-General, Madras, dated 5th September 1882, No. 165-P.

In continuation of my letter, No. 142-P, dated 9th August 1882, I have the honor to forward herewith copies of the correspondence noted in the margin, from which it will be seen that the four roads therein referred to in connection with the debit of Rs. 192-11-5 to Local Funds in the Public Works Exchange Accounts for September 1881 are not under the charge of the Public Works Department, and consequently the item in question remains to be responded to by you.

Copy of letter from the Examiner, Public Works Accounts, to the Superintending Engineer, First Circle, No. 216-S.E. 1st, dated 28th July 1882.

I have the honor to bring to your notice that a sum of Rs. 192-11-5 was debited to Local Funds in the accounts of the Vizagapatam Division for the month of September 1881 on account of the works noted in the margin.

1. Compensation for land taken up from Berhampore to Digupúdi.
2. Compensation for land taken up from Aska to Ganjam *viâ* Purushottapur.
3. Compensation for land taken up from Aska to Trunk Road *viâ* Sérgadá.
4. Compensation for land taken up from Arasavilli to Mofuzbunder.

2. The Accountant-General, Madras, refuses to adjust this debit, as he states that the President, Local Fund Board, Ganjam, objects to accept the charge as a portion of the outlay does not belong to Local Funds under Act IV of 1871 but to Imperial.

3. The Executive Engineer, Vizagapatam Division, in his letter, No. 2990, dated 15th February 1882, reported that the roads under reference are not under the charge of the Public Works Department.

4. I request, under the above circumstances, you will kindly inform me whether any of the roads in question are Imperial, for, if so, it is not understood why the Executive Engineer, Vizagapatam Division, stated that the roads were not under the charge of the Public Works Department.

With reference to your endorsement, No. 351-V.Z., dated the 4th August 1882, I have the honor to inform you that none of the roads therein referred to are under the charge of the Public Works Department.

2. The first-mentioned road, viz., "Road from Berhampore to Digupúdi," was commenced as a Famine Relief Work and an expenditure of about Rs. 7,000 incurred but subsequently postponed. Plans and estimates for completing the road were submitted by Major Smalley, R.E., late District Engineer, Ganjam, to the Local Fund Board for sanction.

3. The rest of the roads are now under the charge of the Local Fund Board and were transferred to them in April 1880 with the transfer of Local Fund Works.

2. The Accountant-General has, at the instance of the Examiner of Public Works Accounts, debited to the Local Funds of the Chatrapur and Chicacole Circles the sum of Rs. 192-11-5 on account of compensation paid in 1880-81 for lands taken up for four roads, three in the former and one in the latter circle.

1. Road from Berhampore to Digupúdi.
2. Road from Aska to Ganjam *viâ* Purushottapur.

A part of the compensation seems to have been paid from Provincial Funds under G.O., dated 21st April 1876, No. 518. The sanction of Government is requested for payment of the remainder, Rs. 50-11-0, from the same source to the credit of Local Funds. No reason is assigned for this sum having been omitted in the accounts submitted by the Collector in 1875.

4. The Accountant-General's debit to Local Funds of the cost of the remaining two roads is approved.

In continuation of my letter of the 29th May last, No. 2031, I have the honor to report that I find from the records that the two roads (1) from Aska to the Trunk Road *viá* Sérgadá, and (2) from Pata Chicacole to Mofuzbunder were made out of Local Funds, and that the compensation due for lands taken up therefor is of course payable from Local Funds.

* Land Compensation		32	8	0

2. Rs. 41* will be provided in the current year's regular estimate under preparation for compensation for the first road as per Inspector of Local Fund Accounts' letter, No. L.F.D.-1434, dated 28th February last.

3. With regard to the second road, the Vice-President has been asked to obtain the sanction of the Circle Board to an allotment to meet the compensation due.

4. With reference to the Board's Proceedings, No. 1571, of 20th February last, it cannot be said at this distance of time on what particular authority lands for these roads were taken. They must have been taken after settlement of compensation due to the parties, but before payment.

Compensation for the lands taken up for the construction of the line from Arasavilli to meet Mofuzbunder road.	GRANT I. *Public Works.* New Works—Communications.	..	Rs. 78-11-5 to be met from the Road Fund Balance.	To pay compensation to the owners of the lands taken up for the construction of the road.	Revenue Board's Proceedings, dated 6th November 1875, Mis. No. 9959, and Revenue Board's Proceedings, dated 20th February 1882, No. 1571.

RESOLUTION—dated 6th November 1882, No. 2695.

Submitted for the orders of Government.

2. The Accountant-General has, at the instance of the Examiner of Public Works Accounts, debited to the Local Funds of the Chatrapur and Chicacole Circles the sum of Rs. 192-11-5 on account of compensation paid in 1880-81 for lands taken up for four roads, three in the former and one in the latter circle.

3. The President points out that the undermentioned two roads were constructed out of Imperial Funds, and that the compensation due for the lands taken up for them should be paid from the same source—

1. Road from Berhampore to Digupúdi.
2. Road from Aska to Ganjam *viâ* Purushottapur.

A part of the compensation seems to have been paid from Provincial Funds under G.O., dated 21st April 1876, No. 518. The sanction of Government is requested for payment of the remainder, Rs. 50-11-0, from the same source to the credit of Local Funds. No reason is assigned for this sum having been omitted in the accounts submitted by the Collector in 1875.

4. The Accountant-General's debit to Local Funds of the cost of the remaining two roads is approved.

I venture to make the following suggestions in view to lessening "the length of time which intervenes between the dates of many of the Orders of Govt. & the time they are issued" –

All bulky or important papers might be sent to press without No. & Date, which might be assigned on receipt of the proofs – This would ensure the issue of the papers very soon after they are dated – By this means we would of course only nominally expedite the issue of papers, for the length of time they

submitted – Important papers would thus always be seen by us in proof, before they are struck off, & doubtful points in other papers could always be referred to us by the Press.

The adoption of this course would I am sure effect a sensible improvement in the direction indicated in the Public Dept memo; & it would further materially lighten the despatcher's ~~[illegible]~~ duties.

orders. The change proposed by S.A.W. would only conceal delay, not cure it.

As regards "proofs" I think some saving of time is feasible. There is perhaps no reason why "proofs" of all papers should be sent to the Secretariat for revision. The revision of "proofs" is the duty of the Press Examiner – an officer specially sanctioned for the purpose. But there is nothing to prevent "proofs" specially indicated being sent for revision to any officer calling for them.

to the Press. All this takes one day— Papers are often sent to the Press the day after they are numbered, as generally the numbering takes place in the after- noon—

Orders sanctioning estimates are, before being sent to the Press, sent to the I. Office to have the sanction registered

R.S. 21/11/82

To I

Considering the nature of the routine through which each paper has necessarily to pass, two days would not, it is thought, be an excessive delay in ordinary cases. Papers marked Urgent can always be got out the same day.

R.S. 21-11.

I

I would suggest that, in future, proofs be passed by the Press Examiner, except such as may be specially called for by this Office. In no other way does any saving in time appear to be feasible.

THE length of time which intervenes between the *dates* of many of the Orders of Government and the time they are issued having attracted attention, His Excellency the Governor in Council insists on an alteration in this respect.

2. To this end the Superintendent, Government Press, will at once report what arrangements he can make to obviate such delays, and what time is absolutely necessary for printing ordinary communications. Every effort should be made to remove all cause for remark.

3. The attention of the Secretaries to Government, the Board of Revenue, and other Heads of Departments is at the same time invited to this matter, in view to such measures being adopted by them, in concert with the Superintendent of the Government Press, as will promote the more expeditious issue from their respective Departments of official papers.
