BOARD OF REVENUE, 31st JULY 1882, No. 1904.

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from A. CRUICKSHANK, Esq., President of the Local Fund Board, South Arcot Circle, to the Secretary to the Board of Revenue, dated Cuddalore, 12th May 1882, No. 35 :—

I have the honor to forward, herewith, a list of works in the South Arcot Circle, which remained incomplete at the end of 1881-82 and for which funds are required to be allotted in the current year, and to request that sanction may be accorded to the sums required.

2. The only items that call for remark are Nos. 7 and 8. *Item No. 7.*—Rs. 285 were spent last year on the Tiruvannamalai Dispensary in excess of the estimate against the anticipated excess expenditure of Rs. 385 sanctioned in Revenue Board's Proceedings of the 3rd April last, No. 1742. Rs. 450 are required in the current year to meet the excess outlay in digging a well in the dispensary compound. The excess outlay has been rendered necessary owing to the difficulties encountered in finding water, the well having to be sunk through rock. The Engineer states that this sum is given approximately, but he hopes to complete the well within the amount. The total excess over the sanctioned estimate for the dispensary building will exceed 5 per cent. *Item No. 8.*—Rs. 220 are required in excess of the sanctioned estimate to pay the balance due on account of the well dug in the Kallakurchi Dispensary and to put a pulley to the well. The excess is within 5 per cent. of the estimate.

3. The amount required for incomplete works is Rs. 18,007 which are to be provided from the following sources. The money required for the office building has been debited * as usual to the Road and General Fund in proportion to the receipts under those Funds :—

Road Fund Reserve	...	...	...	...	...	Rs.
General Fund Reserve	...	...	...	...	...	15,870
						2,137
Total	...	...	...	...	...	18,007

4. Copy of the resolution of the Local Fund Board is herewith sent.

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

ENCLOSURE No. 2.—List of Incomplete Works.

RESOLUTION—dated 31st July 1882, No. 1904.

The list of incomplete works of 1881-82 of the South Arcot Circle contains twenty-nine items with an aggregate allotment of Rs. 18,007, chargeable as follows:—

Road Fund Reserve	Rs.
General Fund Reserve	15,570
	2,137
Total	18,007

2. The only items that call for remark are the 7th and 24th. The sanctioned estimate for the seventh item is Rs. 8,720, while an expenditure of Rs. 9,005 was incurred on it up to the end of the last official year, and a further allotment of Rs. 450 is now applied for. The total allotment is thus in excess of the estimated amount by Rs. 735. As this is above 5 per cent. of the estimate, the President is requested to submit a revised estimate for the sanction of Government.

3. The allotment sanctioned in Board's Proceedings, dated 9th November 1881, No. 1349, R.S., for the 24th item was only Rs. 36, of which Rs. 30 were spent last year, leaving a balance of Rs. 6. The President will explain the necessity for a further allotment of Rs. 210.

4. Pending submission of the estimate and explanation called for, the Board sanction the total allotment of Rs. 18,007 from the sources specified above.
