PUBLIC WORKS DEPARTMENT.

General.

No. 161.

Letter—from

Colonel R. H. SANKEY, C.B., R.E.,
Secretary to Government, Public Works Department,
Madras,

To

The SECRETARY to the GOVERNMENT of INDIA,
Public Works Department.

Sir,

In your letter, No. 754 G., dated 30th May 1882, it was ruled that the pay of Apprentice Overseers and the allowance to their Instructors should be provided in the Public Works instead of the Civil Budget. His Excellency the Governor in Council has accordingly directed this to be done. There are, however, one or two points still open, upon which the Examiner, Public Works Accounts, asks for definite orders.

2. The first is in connection with the rate of pay, Rs. 90, fixed for Apprentice Supervisors. Postings to this grade are made of men who pass out of the College with credit in the Senior Department with A.C.E. certificates, and who generally acquire in addition the University degree of B.C.E. It is not always convenient to post such men to the Engineering Establishment in the first instance, and as they may be regarded as possessing claims superior to those of ordinary Overseers, a compromise has been effected by posting them as Apprentice Supervisors on Rs. 90 per mensem. To this proceeding I am to request the definite approval of the Government of India.

3. Then as regards the travelling allowances admissible to students on first joining the department, I am to forward, for the information of the Government of India, a copy of Proceedings, No. 673 W., dated 16th March 1882, the rules contained in which are based on the provision of the Public Works Code. I am to request confirmation to these Proceedings, or such modified instructions as the Government of India may be pleased to lay down for future guidance.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) R. H. SANKEY, Colonel, R.E.,
Secretary to Govt., P.W.D.

Ootacamund,
