PUBLIC DEPARTMENT.

READ—the following paper :—

From Captain C. H. SIMPSON, Officiating Superintendent, School of Arts, to the Chief Secretary to Government, dated Madras, 21st November 1882.

I have the honor to submit the Annual Administration Report showing the working of this institution during the past official year, and its position at the close.

2. *Artistic Branch.*—The attendance during the past year was as follows :—

April 1881	..	..	..	..	..	..	..	74
May "	..	..	..	..	..	..	..	74
July "	..	..	..	..	..	..	..	74

September "	..	..	..	..	..	..	..	74
October "	..	..	..	..	..	..	..	72
November "	..	..	..	..	..	..	..	72
December "	..	..	..	..	..	..	..	72
January 1882	..	..	..	..	..	..	..	70
February "	..	..	..	..	..	..	..	72
March "	..	..	..	..	..	..	..	72

the average for the year being 73 against 76 for the previous year. This falling off was pointed to in former reports, and will probably continue for a few years.

3. The following certificates have been granted during the year :—

Second Grade.

Sepia drawing from the Round	..	..	..	..	..	..	1
Chalk drawing from the Round	..	..	..	..	..	..	1

First Grade.

Chalk drawing from the Round	..	..	..	..	..	..	18
Linear Geometry	..	..	..	..	..	..	9
Freehand drawings from Models shaded in Sepia	..	..	..	..	..	..	4
Freehand drawings from Examples	..	..	..	..	..	..	7
Linear Perspective	..	..	..	..	..	..	3
Chalk drawings from Models in outline	..	..	..	..	..	..	2
Painting in Monochrome	..	..	..	..	..	..	2

The number of paid apprentices on the rolls is now 20, being seven in excess of that of last year.

Girls' Branch.—This class contains the same number of pupils as last year. The work has been steadily prosecuted during the year. The names of the pupils on the roll for this year's course are the same as those shown in last year's roll, so there is no "coming and going" of pupils as experienced formerly, which helps to prove that their recognition of drawing as an art has become a fact.

Industrial Branch.—There is a most decided improvement in this branch. The development of the pottery industry has been very satisfactory for the past twelve months. Decorative work of a high order has been produced, and the school has succeeded in gaining two medals—one gold and one bronze—at the last Calcutta Exhibition; the former for excellence in pottery, the latter for carving in wood and cabinet manufacture.

Accounts.—The expenditure for the past year is as follows:—

	RS.	A.	P.	RS.	A.	P.
Disbursements	32,729	2	0			
Liabilities	6,255	14	0			
Superintendent, Drawing Master, and Scholarships	5,496	10	8			
Repairs	218	5	8	44,700	0	4
Receipts on Sales	25,587	15	4			
Fees from Pupils	109	0	0			
Amount from Government	12,915	0	4			
Outstandings	11,042	3	7			
Stock and Stock Materials	4,877	0	0			
Cash in Bank	1,274	11	8	55,805	14	11
At Credit				11,105	14	7

Buildings.—The Fine Arts Gallery has been completed this year at a cost of Rs. 7,948, and is an additional attraction to the School of Arts, but I regret to report that the workshops of the school are in a dilapidated state.

Library.—The library is in good condition and well stocked with books.

ORDER—dated 6th December 1882, No. 1538, Public.

The Officiating Superintendent, School of Arts, submits the Annual Report on the working of the institution for 1881-82. The average attendance in the Artistic Branch was 73 against 76 in the previous year. First-grade certificates were obtained by 45 students in the subjects marginally noted, and second-grade certificates by two students in Sepia and Chalk drawings from the Round. The number of paid apprentices on the rolls was 20, being seven in excess of last year.

- 18 Chalk drawing from the Round.
- 9 Linear Geometry.
- 4 Freehand drawings from Models shaded in Sepia.
- 7 Freehand drawings from Examples.
- 3 Linear Perspective.
- 2 Chalk drawings from Models in outline.
- 2 Painting in Monochrome.

being seven in excess of last year.

2. The constitution of the Girls' Branch remained the same as in the past year.
3. The account given in the report of the Industrial Branch is highly satisfactory. Not only has decorative work of a high order been produced, but the school was successful in gaining two medals at the last Calcutta Exhibition for excellence in pottery and for carving in wood and cabinet manufacture.

4. The receipts on sales amounted to Rs. 25,588 against Rs. 29,409 in the previous year. The aggregate receipts during the year, including outstandings and stock, amounted to Rs. 55,806 and the disbursements to Rs. 44,700. The figures for the past year were Rs. 60,059 and Rs. 50,494, respectively.

5. The Fine Arts Gallery has been completed this year at a cost of Rs. 7,948. The state of the workshops will be considered in the Public Works Department.
