RESOLUTION,—By the Government of India, Dept. of Finance and Commerce.

Read again—

Financial Resolution No. 1600, dated 9th June 1882, declaring that all Municipalities and Funds administered under a Local Government, including Port Trust Funds and Wards' Estates, are entitled to the gratuitous advice and services of officers of the Public Works Department, and of all Government Medical, Sanitary and Educational Officers, when these can be given without detriment to the public service, and withdrawing the provisions of the rules contained in Financial Resolution No. 2679, dated 31st August 1878, under which Local Governments were authorized to sanction special additions to salaries, which are not authorized by any general or special order of the Government of India.

Read also—

Letter from the Government of the Punjab, No. 2432, dated 9th September 1882, regarding the employment by the District Committee of Umballa of a Government saluti on duties connected with cattle disease in that district and the payment to him from district funds of an extra allowance of Rs. 6 a month for the performance of the duties in question.

Letter from the Government of the Punjab, No. 2433, dated 9th September 1882, enquiring whether the adjustment, as between Provincial and Local or Municipal Funds, of the charge on account of the pay and allowances of establishments maintained both for Provincial and for Municipal and similar services is affected by the orders contained in the Resolution dated 9th June 1882, and also whether, as, by that Resolution, the power of sanctioning extra allowances conferred on Local Governments in August 1878 has been withdrawn, all allowances granted heretofore in exercise of that authority shall cease.

Proceedings of the Government of Madras in the Revenue Department, No. 937, dated 5th September 1882, regarding the grant from the funds of an estate under the Court of Wards of an allowance of Rs. 15 a month to a Tahsildar entrusted with the management of the estate.

RESOLUTION.—In modification of the orders contained in the last paragraph of the Resolution of the 9th June 1882 read in the preamble, the Governor General in Council is pleased to rule that a Local Government may sanction any increase to an officer's pay from Local, Municipal or other Funds administered by it, provided—

- that the Officer's pay is a Provincial charge, and
- that his total emoluments after the increase do not exceed Rs. 250 a month.

His Excellency in Council is also pleased to declare that the orders contained in the Resolution above quoted are not intended to affect allowances already granted by Local Governments in exercise of the authority conferred by the Resolution of the 31st of August 1878, or to affect the question of the division between general revenues and local or other funds of the charge for emoluments which have been duly sanctioned by competent authority.

ORDERED, that this Resolution be communicated to the several Departments of the Government of India, to the Local Governments, the Comptroller General, and the several Accountants General and Comptrollers.

EXPLANATION OF NECESSITY FOR MODIFICATION OF
ALLOTMENTS.

The sum of Rupees 2093 under Provincial Minor Works was allotted for constructing the Registrars Office at Bhagulmury and is now surrendered as the execution of the work was deferred by the Superintending Engineer in his P. 937 of 31st August 1882 = L. G. O. No. 3085W of 21st November 1882.

The sum of Rupees 500 under Provincial Repairs is absolutely necessary to meet the excess Rupees 47 out allotment of Rupees 1000 already incurred and the demands of any Estimates that may be sanctioned during the remaining 4 months of the year.

Rupees 500 under Tools and Plant surrendered not being required.
