Proceedings of the Government of India in the Public Works Department (General), dated Simla, 16th June 1882, No. 878-900G.

Circumstances under which substantive pro tem. promotions may be made.

Resolution—

The Governor-General in Council remarks that the practice obtaining in the Public Works Department of regarding officers deputed to foreign service or to duties wholly independent of their proper appointments as supernumerary, and of making permanent promotions in their place, is irregular. According to the Public Works Code, Chapter I, paragraph 61, permanent promotions are those which are made in the room of officers whose names are removed from the general departmental list by death, resignation, or other permanent cause. The Governor-General in Council desires that this order may be strictly observed in the future.

2. The cases in which permanent promotions have been incorrectly made appear to be those made in succession to an officer—

- (1) lent to Local Funds in Bengal ;
- (2) appointed Assistant Secretary to the Government of India ;
- (3) of Royal Engineers on special leave ;
- (4) lent to Municipalities, Port Trusts, &c. ;
- (5) lent to Native States ;
- (6) lent to Guaranteed Railways ;
- (7) appointed Private Secretary to the Government of Madras.

The promotions in the room of such officers should have been substantive *pro tem.* under Section IV of the Pay and Acting Allowance Code. The Governor-General in Council accordingly desires that as vacancies occur promotions may be made substantive *pro tem.* to an extent equivalent to the number of officers temporarily detached from the Department.

3. The officers so detached may continue to be entered in the classified lists in italics, and the officers who receive promotion in Roman characters, with the note *sub. pro tem.* in the column of remarks.
