With reference to Board's Reference on G.R. No. 2811, dated 31st May 1882, I have the honor to state that on comparing the standard design with the plan prepared by the Local Fund Engineer, the Local Fund Board observed that it provides all the accommodation provided for in Design, No. 2, the cost thereof being estimated at Rs. 11,272, while that of the estimate prepared by the Local Fund Engineer is Rs. 5,610, which is nearly half the cost of the standard design.
