

No. 182-F.

From K. F. NORDMANN, Esq., Officiating Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Bellary, 16th September 1882, No. 1060.

I have the honor to report that a sum of Rs. 5,000 from the grant of Rs. 21,500 for the stables for one Field Battery at Bellary, Item No. 6, Imperial Budget of 1882-83, is available for transfer, as it is not likely that the estimate for the work will be sanctioned before the end of this month.

2. With reference to G.O., No. 1610 W., dated 27th June 1882, I beg to state that materials are being collected; but nothing further can be done, as the plan recommended by the Officer Commanding the Royal Artillery deviates from the standard plan. For this reason I hesitate to commence building until the revised plan, which has been sent to the Military authorities, receives the sanction of Government.

3. After sanction of the estimate has been communicated, it will take nearly twelve months to complete the work; hence I think I am quite safe in surrendering Rs. 5,000 of the current year's allotment.

No. 182-G.

ORDER—dated 22nd September 1882, No. $\frac{2470}{A}$ W., Public Works.

The following surrenders will be made to the Government of India, who will, however, be requested to allow the works to progress; particularly the stables for a Field Battery of Artillery at Bellary, it being of the greatest moment that protection for horses in Southern India should be provided. Meanwhile advice will be sent to the Government of India by telegram:—
