READ—the following papers :—

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 8th December 1882, No. 3196.

I have the honor to bring to your notice that by paragraph 604 of the Code members of Petty Establishments are not entitled to travelling allowances except under very special circumstances, and by S.O. No. 95 of 1882 a brief explanation of the necessity of such claims is to be recorded.

2. The Examiner of Public Works Accounts calls attention to these orders with regard to travelling allowance for lascars.

3. Now, whenever an officer travels on departmental duty he necessarily has lascars with him, and I beg to suggest that the rules quoted may be considered as not applicable to lascars when in attendance on officers and subordinates.

No. 203-A. Office Note from the Examiner of Public Works Accounts, dated 16th December 1882, No. 793.

2. Now that this establishment has been declared by the Government of India as permanent (*vide* G.O., No. 406 W., dated 15th February 1881), it is for Government to decide whether the paragraph should still stand or be cancelled.
