No. 372 W d/10th Feb 1882

Explanation of necessity for reappropriation.

- (1) Rupees 2,500 were transferred from Minor Works to Original Works and appropriated to the Bellary Water supply Project to enable the work being put in hand at once and thus securing to the station as large a supply of water as possible in the coming season.
- (2) The early completion of the combined Post and Telegraph office at Cotentamund being considered very desirable, and there being no funds available under this head, the transfer of funds under Salt ^{are} therefore proposed.
- (3) The sum of Rs. 4366 including charges on account of Establishment and Tools and Plant is surrendered in consequence of the opening of the bar earlier than was anticipated.
