Colonel R. H. Sankey C.B.R.

Chief Engineer P.W.D.

Sir,

I have the honor to inform you that the Executive Engineer Trichinopoly requested my permission to return to the stores at Madras certain machinery &c which were of no use to him; and the permission was accordingly granted.

2. Amongst the articles there is a Circular Saw bench which the Superintendent of the Central Rail at Trichinopoly wishes to purchase for the use of the Rail Department. The book value of the bench is Rs 263-10-0; but as it is old it was valued by Mr. Nicholls of the S. I. Railway at Rs 200, and the Superintendent of the Rail is willing to take over the saw at once and pay Rs 200,

the price fixed by the Railway Engineer.
The payment may probably be
made as a Book Transfer. I request
your instructions on this point and
sanction to sell the saw unless it
be required at Madras.

I have the honor to be

sir

Your most obedient servant.
