Executive Engrs Office
Cuddapah 31st Janry. 1882.

From

The Executive Engineer
Cuddapah Division

To,

The Superintending Engineer
III Circle.

Sir,

I have the honour to inform you that during the months of June and July 1881 a sum of Rs. 7-3-7 was paid to a Puntkah Puller engaged for the Office use.

2. In G.O. N^o 880 dated 15th March/77, it is directed that the Office lascars should pull puntkahs; but 3 lascars and 1 messenger, having had generally to attend the Executive Engineer during his course of Inspection of the Madhanapalle, Kadiri, Nellore and Rayachoti Taluqs, the only one messenger left in the Office could not have therefore been engaged on this work owing to the

pressure of the other important Office
duties.

3. Under the above circumstances and
as the Official Year is drawing to close,
I request you will be good enough to ob-
tain sanction of Government as already
requested in my No. 1080 dated 2nd July/87
or authorize the Examiners to pass
the charge, which has been disallowed
by him and is at present at the debit
of Miscellaneous Advances.

I have &c.
Signed H. S. Taylor.
Executive Engineer.
