SIR,

*not minor

Principal Works
Item No 4,
What?*

In the Military Minor Works Grant for 1881-82 is an item No. 4 for Rs. 2,500 for a Gymnasium, Fort St. George.

The Estimate for this was greatly delayed owing to want of decision on part of Military authorities as to a site, and again owing to the recent visit of the Inspector of Gymnasias in India, the real requirements of the building were first ascertained.

The estimate and plan are in a very advanced state, but as estimate so greatly exceeds the Budget grant, there appears to be no probability of the work receiving the approval of St. G.

the

the Commander in Chief and of the Govt
in time to utilise the small Budget
Grant this year.

SIR,

Enclosures.

I have the honor to report
that in the Imperial Budget
Part I Military Item No 8 pro-
-vides Rs 5040 for Salaries for
the Queens Own Sappers & Miners.

A part of the work has been done
experimentally, and has not been
found successful; a modification
is also to be made, as approved in
your Memo No 227C of the 27th Ja-
-nuary 1882. But as the result has
to be tested there is hardly any
time

with C. No 437
with S. W.
11/2

time left for the work in general
to be carried on; and as funds
under Military are required
elsewhere for Minor New Works
and repairs: it appears advisable
that I should surrender Rs 4460
from the Budget Mem No 8.
