Read the following papers:—

No. 19. From the Superintending Engineer, Third Circle, dated 14th January 1882, No. 251.

No. 20. From the Conservator of Forests, dated 28th January 1882, No. 1148.

No. 21. ORDER THEREON, 4th February 1882, No. 320 W.

THE revised estimate, amounting to Rs. 7,159, for constructing a bungalow with out-offices for the Forest Officer at Nandyál in the Kurnool Division is sanctioned.

2. The excess of Rs. 1,759 over the original estimate of Rs. 5,400 is due to an alteration in the rates previously provided, which are insufficient for the site now selected.

3. The sum of Rs. 5,400 has already been provided for the work by the Forest Department, and the Conservator of Forests will place the balance required, Rs. 1,759, to the credit of the Executive Engineer, Kurnool Division.
