GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

18th February 1882, No. 451 W.

General
Account.

Read the following papers:—

No. 80. Telegram from the Secretary to the Government of India, Public Works Department, Calcutta, to the Secretary to Government, Public Works Department, Madras, dated 2nd February 1882.

Your 88 W. of 23rd January. A lump sum grant cannot be made. Make the best approximate estimate possible of the probable outlay this year in preparing each project likely to be classed as Protective and wire total, sending details by post. Pottinghy Ghât road cannot be so classed.

No. 80-A. Telegram from the Secretary to Government, Public Works Department, Madras, to the Secretary to the Government of India, Public Works Department, Calcutta, dated 6th February 1882.

Your telegram second instant. Required approximately for Establishment to prepare Protective projects a, c, e, f, h, l, and n, my No. 88 Rs. 23,000 current year, to which please add Rs. 37,000 on account of Works Buckingham Canal.

No. 80-B. From the Secretary to the Government of Madras, Public Works Department, to the Secretary to the Government of India, Public Works Department, dated 7th February 1882, No. 348 W.

I AM directed to acknowledge the receipt of your telegram of the 2nd February requesting to be furnished with the best approximate estimate possible of the probable outlay this year in preparing each project likely to be classed as protective.

2. The following telegram was despatched in reply on the 6th February:—

"Your telegram second instant. Required approximately for Establishment to prepare Protective projects a, c, e, f, h, l, and n, my No. 88 Rs. 23,000 current year, to which please add Rs. 37,000 on account of Works Buckingham Canal."

3. I am now directed to state that the lump sum of Rs. 23,000 has been made up as follows:—

	RS.
(a) Ganjam-Gopálpur Tidal Canal	1,200
(c) Buckingham Canal	10,000
(e) Baroor Tank	5,000
(f) Marandahully	1,500
(h) Hindupur	2,000
(l) Perryaur	2,000
(n) Rooshkulia Channel... ..	1,500
	<hr/> 23,200

Or in round numbers Rs. 23,000

4. It has already been explained to the Government of India that this Government are not at present in a position to frame any reliable estimate of what the charges for establishment on these projects are likely to be during the current official year. The figures now put forward must therefore be accepted as a mere approximation only.

5. A sum of Rs. 37,000 has been added to the demand as a grant-in-aid on account of Works of the Buckingham Canal which have been in progress during the year. This project is almost certain to come within the category of Productive Works. If, however, the Government of India should feel any difficulty about assigning the Rs. 37,000 on account of Works, it is suggested that the amount might legitimately be conceded under "Establishment" in consideration of the time devoted by the Chief and Superintending Engineers to the elaboration of the projects specifically named.

No. 80-C. Telegram from the Secretary to the Government of India, Public Works Department, Calcutta, to the Secretary to Government, Public Works Department, Madras, dated 13th February 1882.

Your telegram 6th. Rs. 60,000 for outlay on Protective Works 1881-82 in the manner proposed sanctioned.

No. 81. ORDER THEREON, 18th February 1882, No. 451 W.

The telegram from the Government of India of the 13th February will be communicated, with the previous correspondence above recorded, to the Examiner of Public Works Accounts for information and guidance.

2. The sum of Rs. 60,000 now sanctioned is made up as follows:—

(1) Contribution to Establishment	Rs. 23,000
(2) Contribution to Works, Buckingham Canal	37,000
Total	60,000

3. The total charges for Establishment during the current official year are expected to amount to Rs. 16,95,017, (*vide* G.O., No. 2922 W., dated 23rd November 1881,) against which grants have been made amounting to Rs. 16,73,629. The sum of Rs. 23,000 now sanctioned will raise the total of the grants to Rs. 16,96,629, or Rs. 1,612 in excess of the probable charges.

4. The sum of Rs. 37,000 granted on account of the Buckingham Canal Works will be credited to the appropriation for that work, which will be reduced by a corresponding sum, and the amount (Rs. 37,000) credited to the Provincial Reserve.

For orders

As previously intimated
to the Govt it will be
next to impossible to
state even approximately
the expenditure likely
to be incurred during
the current official
year on the preparation
of projects likely to be
classified as Protective
but as from the annexed
telegram some statement
of the kind has at-
tached to be used to
Calcutta the following
amounts may be roughly
given for setting up the
projects now under
preparation viz.

- (a) Sanyam - Sopanpur
tidal Canal -- Rs 12.00
- (c) Bishnupur
Canal -- 10.000

Approved
1/11

Cd 3/2 1.6.22

B. 7th. 11,200
 (e) Baroor Tank... 5000
 (f) Mandakuly... 1500
 (h) Hunderpore ... 2000
 (l) Perryaur ... 2000
 (u) Rooshkulia
 Channel ... 1500
 Rs ... 23,200
 Say 23,000

In this should be added
 Rs 37,000 as grant in aid
 in account of the works
 of the Buckingham Canal
 which have been in progress
 during the year, and
 which is certain to
 come within the category
 of Protective works

If this be accepted
 the following telegram
 might now be sent
 to Works India Office
