

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from

Nawab Nazamud Dowlah Rustum
Jah Derood Alli Khan Bahadur
Intezam Jung, to the Collector of
the Krishna District, dated 31st December
1887.

I beg to remind you that
during my audience with His Grace
the Duke of Buckingham the late
Governor at your house when His
Grace visited visited this town
in February 1887, I personally
brought to His Grace's notice in
your presence my heavy debts in
which I was unavoidably involved
owing to the insufficiency of my
reduced pension from Government
for the support of myself and my
family and my distressed cir-
cumstances and difficulties
I have been labouring under
and solicited His Grace's Govern-
ment for the benevolent help;
and His Grace with his Councillor
the

the Honorable D. F. Carmichael was pleased to observe in reply that the Government under the then financial difficulties could then do no more than assisting me by purchasing the then remaining two Bungalows of mine at this town, one for the accommodation of the District Court and the other for the permanent residence of the District ^{Judge} in order to enable me to liquidate my debts to some extent from the purchase money of the Bungalows. His Grace then desired you to submit the estimates of the valuation of the two Bungalows to Government.

As you then thought proper, you submitted to Government the estimate of the valuation of only one Bungalow which you selected and recommended for the accommodation of the District Court; and the Government were pleased to pass orders for the purchase of that Bungalow from me for Rs. 25,000. Accordingly the then Collector purchased it from me and paid me the purchase money; which I appropriated to the satisfaction of my debt to the mortgagee of the Bungalow.

For the liquidation of my remaining debts my creditors are making

making pressing demands on me and are also threatening to resort to legal proceedings against me if I do not take early measures for the liquidation of their demands. I have no other means to liquidate these debts except by the sale of my remaining property. I am willingly determined to sell to Government my remaining Bungalow together with the small Bungalow and other outhouses attached thereto though a profitable property for me. You have been well aware that this Bungalow has been usually occupied by the District Judge at the monthly rent of Rs. 100 and is the same which His Grace the Duke of Buckingham Government resolved to purchase for the permanent residence of the District Judge.

I therefore most respectfully and earnestly beg to request that you will have the kindness to do me the favor to cause my above said Bungalow and its out. houses ~~etc~~ to be valued by the D. P. W. in the same manner as in the case of my other two Bungalows

Bungalows already purchased by Government and submit the valuation estimate and this my application to Government with your favorable recommendation and obtain their orders to purchase the Bungalow for the Government from me for the residence of the District Judge as already resolved by the Government in order to enable me to liquidate my debts and save my credit. This I shall esteem as a great favor to me under my present distress and embarrassment.
