GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

4th March 1882, No. 562 W.

General.
Account.

Read the following paper:—

No. 31. From J. H. TAYLOR, Esq., Lieutenant, R.N.R., Master Attendant, Administrative Department, to the Secretary to Government, Public Works Department, dated Madras, 27th February 1882, No. 1627.

WITH reference to G.O., Public Works Department, No. 203 W., dated 25th January 1882, I have the honor to state that as I see no grounds for relieving the *Windermere* of her liability, I have not referred to the local Agents. The evidence shows the casks to have been damaged by leakage not through the *deck seams* as suggested by Government, but from the topsides, as pointed out by Captain T. C. Kerr. The four casks damaged in the main hatch may be omitted when making claim.

No. 32. ORDER THEREON, 4th March 1882, No. 562 W.

ORDERED that the Secretary of State be addressed.

2. The amount deducted from the freight of the *Windermere* on account of the four casks damaged in the main hatch should be refunded to the Agents of the vessel at Madras.

Cement shipped by the vessel "Windermere"

Ordered that the Agent of the Peninsular Company be addressed on the subject of the deduction made on account of the four casks of cement damaged in the main hatch reported

stating that with the exception of four casks of the cement shipped per "Windermere", damaged in the main hatch there seem no grounds for exempting the owners of the vessel for the damage to the cement.
