GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

7th March 1882, No. 585 W.

General.
Account.

Read the following paper :—

No. 57. From Colonel J. BEATTY, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 24th February 1882, No. 1946 T.J.

I HAVE the honor to submit, for sanction and allotment of funds, a revised estimate amounting to Rs. 330 for redrawing the surveys of the Coleroon that were prepared by Lieutenant Romilly, R.E.

2. A copy of the Executive Engineer's letter explaining the circumstances under which it is found necessary to revise the estimate is herewith forwarded for your information.

3. The original estimate was sanctioned in G.O., No. 2499 W., of 29th October 1880, and the amount of the estimate, viz., Rs. 200, was allotted in G.O., No. 1495 W., dated 15th June 1881.

4. The original sanction was made to my office, but I found it convenient to hand over the work to the Executive Engineer, Tanjore, who is more frequently at his head-quarters and therefore better able to direct the work. I request that the sanction of the revised estimate of Rs. 330 may be made to the Tanjore Division.

No. 58. ORDER THEREON, 7th March 1882, No. 585 W.

THE revised estimate amounting to Rs. 330, of the cost of reducing the Coleroon Survey, is sanctioned.

2. The excess of Rs. 130 over the original estimate for Rs. 200, sanctioned in G.O., No. 2499 W., dated 29th October 1880, is explained in the Tanjore Executive Engineer's letter. The additional sum now required is appropriated from the budget grant for temporary establishment.

3. This sanction has been registered as Provincial No. 54 W. of 1881-82, is classified as establishment, and cancels No. 39 W. of 1880-81.

Coleroon Survey.—Revised estimate
amounting to Rs. 330 of the cost of reduc-
ing the — sanctioned.

Executive Engineer's Office

10th February 1882.

No 329.

From

The Executive Engineer

Saigood.

To

The Superintending Engineer
6th circle.

Sir,

In reference to your No 1754 T.J
of 25 January 1882, I have the honor
to submit a revised Estimate, a-
mounting to Rs 330 for reducing the
Coleroon survey taken by Lieut. Pomilly
P.B. and to state that the original
Estimate sanctioned in G.O. No 2499
d/ 29 October 1880 (of which a copy
does not appear to have been com-
municated to this office) was not
sufficient to complete the work. It
was proposed by Mr. Pundell in
his letter to the Chief Engineer for
Irrigation read in G.O. No 2908 d/
12 May 1879, that a draftsman should
be appointed for the work for 1 year at

Rs

Rs 40 per month; this proposal was recommended by the latter in his note read in the same order, for the sanction of Government, who however refused sanction owing, it is believed, to financial pressure. But I was subsequently informed in your no 4317 J. d/11 June 1881, that Govt sanctioned in G.O. No 24992
29-10-81 the entertainment of a draftsman at Rs 40 for 5 months only. That this sanction was insufficient was clear, but to make the work as cheap as possible, and to meet the wishes of the Chief Engineer, I gave out the work on contract at 2 Rs per square mile, as it was cheaper to do so than employ a draftsman by the month. As however there are 163 sq miles in all to be re-drawn, it is not possible to keep within the sanctioned amount, hence the necessity for the revised estimate, which I request may be sanctioned at an early date.

of

of the total number of miles to be redrawn 97 sq miles have been completed leaving 66 more to be done. ^{SSS} 13

The present estimate is only for reducing the boleroon survey, when this is nearly complete I shall submit an estimate for reducing the ban-
ney survey.

I have &c.
