SIR,

Enclosures.

I have the honor, with reference
to your No. 420.C of the 17th Instant, to invite
your attention to my No. 1649 of the 30th
October 1880.

2. The site which it is now proposed
to purchase, is intended not only for the
Division Office, but the Quarters for an
Executive Engineer and 2 assistants to be
hereafter erected at Duggirala.

3. There is no Government waste avail-
able.

4. The site selected was chosen with
the approval of the Chief Engineer for
Irrigation. It was ascertained a long time
since, that the holders wanted a high

price for the land, and this is now seen in their asking a price much above the market value of the land. They are probably encouraged to do this from the fact that, no other site is so suitable as that selected, and they hope to force us into paying an abnormally high price in consequence.

5. The purchase money for $13\frac{1}{2}$ acres, at Rs 70 per acre, is included in the sanctioned amount for the Office.

6. Although funds have been given for this Building, and materials have been collected, we are unable to go on with the work, I trust therefore the requisite notification may be published in order that the land may be acquired at an early date.

I have the honor to be,

Sir,

Your Most Obedt Servant.
