GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

9th March 1882, No. 603 W.

Buildings and Roads.
Civil Works.

Read the following papers :—

No. 79. From Major H. R. MEAD, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 8th February 1882, No. 57.

I HAVE the honor to forward the enclosed application from the Agent for Remounts at Hosúr for the school-room at that station to be supplied by this Department with proper seats and a font, and to report that I do not consider the Government Order quoted, No. 200, dated 8th August 1876, in any way applicable to the case, which must be treated as a special one.

2. The building in question is a school-room, the property of Government. There is at Hosúr, distance about four miles from the Remount Depôt, a church (that was built, I believe, with a grant-in-aid from Government); this, however, is too far to be used regularly by the men of the Remount Depôt and therefore divine service is held in the school-room. When the Chaplain visits Hosúr once in two months he performs one service in the Hosúr church the other in the school-room, his orders are to visit Hosúr and also the Remount Depôt.

3. Under these circumstances I request that Government may be asked to give special sanction for the school-room at the Remount Depôt to be treated as a church, and that, under páragraph 1444 of the Code, sanction may be given for Rs. 315 as follows :—

Appliances to seat.								RS.
30 People at Rs. 5	...	...	...	...	...	...	...	150
30 Stools at „ 2	...	...	...	...	...	...	...	60

No. 79-A. Endorsement of the Chief Secretary to Government, Ecclesiastical Department, dated 3rd March 1882, No. 34 Routine.

From the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 1st March 1882, No. 418.

THE enclosed correspondence, relating to the supply of church furniture for the school (used as a church) at Hosúr Remount Depôt, which appears to have been sent to the Bishop, has been forwarded by His Lordship to me for disposal.

2. I am personally acquainted with the circumstances under which service is conducted at Hosúr by one of the Bangalore Chaplains at the bi-monthly visits. The Mission Church at Hosúr proper is too far for the attendance of the depôt officials, and it seems very desirable that the school, which for some years has been used for the services at the depôt, should be conveniently fitted to accommodate the congregation.

3. The enclosed proposal provides for seats and kneeling stools for thirty persons, a font with cover, and a vestry almirah—cost Rs. 315. This appears to be moderate, and I beg to commend the application to the favorable consideration of Government.

FORWARDED to the Public Works Department.

(Signed) R. DAVIDSON,
Chief Secretary.
