For order

I submit herewith
draft of order for Appendix
connected with the Parker
special engagement

He proposes to leave this
for Vizag by B/S/M Co.
Steamer on Thursday
the 5th inst., and after ex-
amining that port - Bimili-
patan & Calcutta - he
will return here 2nd week.

After a week here he
will proceed to Bombay
and Ceylon after spending
a few days at which he
will proceed to Colombo
& embark on his return
voyage to England.

My original draft
it will be observed is
based on the H's re-
commendation, but as it
seemed to me best to
ascertain whether the
Hon. W. B. D. D. D.
views I submitted

the draft - dated 6/3/82

The H. Co. will observe
that my alternative
para 5 dated today
has been accepted by
Mr. Parker and would
supersede para 5 of
the original draft.
If this be also accepted
by Government the order
may issue at once before
Mr. P. leaves this for Vizag.

Presumably it would
be an act to wire to
the Collector of Agent Vizag
to afford him any assis-
-tance in fulfilling the object
of his enquiry.

As regards the
Tromacore State they
would have to bear all
Mr. Parker's charges on
the day he leaves Madras
to that in which he
embarks for England
at Colombo? - May
they be so informed?

My dear Colonel Saubrey

I return your draft
with a slight alteration -
My Indian pay of £160 per
month covers the whole of my
absence from England except
when it is in abeyance for
special duty. There will be
no "interim days".

I suppose the special pay
will be payable in England?
