

Revenue Deptt.
Proceedings of the Madras Govt.

[20th October 1881, No. 2398.]

Read the following.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 20th October 1881.

No. 2398.

Read—again Proceedings of the Board of Revenue, dated 28th June 1881, No. 1195.

ABSTRACT.—Requesting Commissioner of Salt Revenue and Inspector-General of Registration to state whether they still wish their Assistants to be accommodated in the Collector's Cutcherry, Nellore, or whether the Collector's suggestions on the subject meet with their approval.

Read—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, Madras, to the Secretary to the Board of Revenue.

ENCLOSURE No. 1.

From G. HAMNETT, Esq., Inspector-General of Registration, Madras, to the Hon. R. DAVIDSON, C.S.I., Chief Secretary to Government, dated Ootacamund, 26th May 1881, No. 304.

ADVERTING to endorsement (returned), No. 915, May 24, 1881, on a letter from the Superintending Engineer, First Circle, I have the honor to state that the Registrar of Nellore has reported that Mr. Grose, the Collector, had kindly provided his office with accommodation in the Huzur Cutcherry until a new office could be built, but says nothing about the construction of a new and improved Collector's office or to provision being made in it for him.

2. It is, in my opinion, very desirable that the Registrar should have his office close to that of the chief controlling authority of the district, and if there be any intention to build a new office for the Collector there is no objection to the Registrar being accommodated in it.

Letter—dated 12th July 1881, No. 388.

I HAVE the honor to acknowledge the receipt this day of the Proceedings of the Board of Revenue, No. 1195, June 28, 1881, and to state for the information of the Board that the question of accommodation for the Registrar of Nellore appears to have been disposed of by the Orders of the Government, Judicial, No. 2932, dated 20th December 1880, and No. 1197, dated 16th June 1881.

2. I enclose copy of my letter to the Government, No. 304, dated 26th May 1881.

Read—the following letter from W. A. HAPPELL, Esq., Officiating Commissioner of Salt Revenue, to the Secretary to the Board of Revenue, dated September 12, 1881, No. 7039.

REFERRING to the Board's Proceedings, No. 1195, dated June 28, 1881, requesting me to report whether the Assistant Commissioner's office, Nellore, should be located in the same building with the Collector's or whether Mr. Grose's proposals to run up a building for the Assistant Commissioner's office in the same compound will

meet the requirements of this department, I have the honor to inform you that the present economical arrangement may continue as there seems to be little or no advantage in placing the Assistant Commissioner's office close to the Collector's. It has been proposed to buy the building in which the Assistant Commissioner's office is now held, but I cannot recommend this course until the building has been inspected by the Commissioner or Deputy Commissioner. If the purchase of the building cannot be conveniently effected, Mr. Grose's proposals will be considered and reported on.

Resolution—

THE letters read above show that it is unnecessary to provide accommodation in the Collector's Cutcherry for the Salt and Registration Departments. The Board approve the plan B-I and request the Collector to take the necessary steps for causing estimates to be prepared.
