Copy of letter from the Accountant General Public Works Department to the Examiner of Public Works Accounts, Madras No. 351 E dated 20th May 1881.

I have the honor to acknowledge your letter No. 190 A of the 20th January last enquiring whether the Madras Government has power (1) to increase the provision of the regular Establishment of the Madras Harbor Works and (2) to delegate these powers to the Harbor Works Committee and Superintendent. In reply I have to state that the estimate for these works includes a provision of 5 per cent for Establishment - without details - against which provision the Local Government may sanction or delegate power to the Committee and Superintendent to sanction Establishment but any such sanctions leading to or tending towards excess must be reported. The creation of appointments carrying salary at a higher rate than Rs 250/ is of course liable to the prescribed conditions.

With reference to your third para, I have to state that the disallowance in question was correctly made in accordance with rules in section
