JUDICIAL DEPARTMENT.

READ—the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to the Chief Secretary to Government, dated Palar Anicut, 12th February 1882, No. 13:—

I have the honor to state that the Superintendent of Police requested me to secure the piece of land (C. 0-5-4) in the village of Peranambat, Gudiatham Taluk, for the construction of a Police station and lines, and informed me that the owner of the site, Mir Humayoon Jah Bahadur, refused to give up the same unless the exorbitant price of Rs. 900 were paid.

2. On the land in question there are a few tamarind trees which the Tahsildar reports are of very trifling value, similar trees being abundant in that locality. The market value of similar lands in the immediate vicinity is Rs. 50 per Cawni, to which reasonable rate the owner does not agree.

3. The late Acting Sub-Collector, Mr. Ross, and the Acting Superintendent of Police, Mr. Agar, who have both personally inspected the spot in question, have informed me that no other suitable site is available, and that the acquisition of the land selected is absolutely necessary.

4. Under these circumstances, I have the honor in forwarding herewith, under Section 6 of Act X of 1870, a draft declaration for the acquisition of the land above referred to, to request that the same may be published in the *Fort St. George Gazette*, and the Sub-Collector for the time being be authorised to take order for the acquisition.

ORDER—dated 23rd February 1882, No. 210, Judicial.

Ordered that the draft Notification be published in the Fort St. George and District Gazettes.

2. The recommendation made at the close of the letter is sanctioned.

3. It should be a standing rule that the grounds of objection to sell land proposed to be taken up under the Act be stated.
