No. 109. ORDER THEREON, 16th March 1882, No. 673 W.

IN paragraph 600 of the Public Works Code it is laid down that any student appointed to the Department from a Government Civil Engineering College shall be allowed travelling allowance to join his first appointment at the rate of 2 annas a mile by road, and the usual rate if sent by rail.

2. Under recent arrangements in this Presidency the pay and allowances of men appointed from the College are disbursed in the Civil Department during their first, or apprentice, year.

3. It frequently happens however, from the absence of vacancies, that men are not appointed to the Department direct from the College, and the Government consider that some provision should be made for cases of this kind.

4. The following rules will therefore be adopted :—

(*a*.) The travelling allowance will be given if men are appointed within three months from date of passing the examination.

(*b*.) Other cases will be dealt with by Government on their merits, on being specially referred.

5. The case of T. Subramania Iyer, who passed out of the Civil Engineering College in December 1879, will be reconsidered in the Educational Department with reference to this order.

FOR ORDERS.

In para 600 of the P.W. Code, it is laid down that any student appointed to the Department from a Government C.E. College shall be allowed travelling allowance to join his first appointment at the rate of 2 annas a mile by road, and the usual rate of fare by rail.

2. Under recent arrangements in this Presidency the pay & allowances of men appointed from the College are disbursed in the Civil Department during their first, or apprenticeship, year.

3. The Accountant General

in his letter under disposal, ~~[illegible]~~ acting on the general rule that "officers joining their first appointments" are not entitled to Travelling Allowance, refuses to admit such allowance to T. Subramania Iyer, an Apprentice Supervisor appointed to the Godavari District.

4 The practice in the P.W. and Civil Depts is thus not uniform. This should, it is thought, be rectified.

5 It frequently happens that men are not appointed to the Department direct from the College. They have to wait for vacancies. Some provision should be made for cases of this kind, and the following may perhaps be adopted.-/

(1) The Travelling Allowance will be given if men are appointed within 3 months from date of passing the Examination.

(2) Other cases will be dealt with by Govt. on their merits, on being specially referred.

6. Orders are solicited.

the man was not appointed direct from the College. He took employment under the Ootacamund Municipality after passing out. Evidently because he could not at once secure an appointment in the P. W. Dept.

It will be seen that the Accountant General makes no exception. He declines to pass travelling allowances whether appointed from the College or not.

In this respect the rules in the two Depts are not consistent.

The question would also arise under the P. W. Code Rules as to what interval should be allowed between *passing* and *appointment*. As a matter of fact men are seldom appointed *from* the College. They generally have to wait for vacancies.

The old rule of the G of I required *direct* appt: as the test i.e. within a reasonable time say 2 or 3 months after passing College Exam:.

It would be best to summarise the case & recommend (1) ~~that~~ the allowance be given to men appointed within 3 months ~~be~~ passing the Exam: —— and (2) ~~that~~ other cases be dealt with on their merits [illegible] finally by the Government with reference 5/3/82
