GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

22nd March 1882, No. 754 W.

General
Account.

Read the following paper:—

No. 162. From Lieutenant W. L. C. BADDELEY, R.E., General Superintendent, Public Works Workshops, to the Deputy Chief Engineer, Public Works Department, dated Madras, 17th March 1882, No. 3189 W.

With reference to the sanction conveyed in G.O., No. 3179 W., dated 22nd December 1881, I informed Messrs. McDowell and Co., and they forwarded me a cheque for Rs. 750 with a request that I should send them a receipt in full of all demands. This I was not prepared to do, as when the engine and boiler were leased to Messrs. McDowell and Co. some shafting, pulleys, and cast-iron standards with brass bearings were also lent, and as these articles are not component parts of either engine or boiler I wrote to Messrs. McDowell and Co. requesting that these items should be paid for. This they have declined to do and have withdrawn their offer for the engine and boiler.

2. A question now arises with regard to the hire of the engine and boiler; Messrs. McDowell and Co. say that they have not used the engine since the 12th of January, on which date they remitted the charge for its purchase, and therefore they decline to pay for the hire after that date.

3. Under these circumstances I beg to inquire whether I may receive back the engine, boiler and all articles the property of Government from Messrs. McDowell and make no charge for hire after 12th January 1882.

4. I may mention that I visited Messrs. McDowell's works about 27th January last, and the engine and boiler were not at work.

No. 163. ORDER THEREON, 22nd March 1882, No. 754 W.
