N. B.—If there is not room here for the whole of the explanation an additional half sheet or more of foolscap should be added and the explanation should be continued thereon.

Civil Branch

No. 597.6

dated 20th February 1882

From

The Principal
Civil Engineering College -
To The Executive Engineer
North Arcot Division -

Sir.

With reference to your No. 2216 dated
18 February 1881, I have the honor to
inform you that, Overseers and Draftsmen
undergo the same examination in the
subject. "Drawing and Estimating". The
subject is divided into three heads.
An Overseer must obtain 25 per cent
of the marks for this subject, and must
qualify also in other subjects. A 3rd
class Draftsman must obtain 33 per
cent on each head, and 50 per cent on
the subject. A 2nd Class Draftsman
50 and 66 per cent respectively. It will
thus be apparent that, in order to
qualify for an Overseer's Certificate,
a man may or may not reach that
standard in drawing which is prescribed

for a 3rd Class Draftsman's Certificate.

2. In the case you refer to, M. Bala-
rama Naicker is ~~thoroughly~~ qualified to serve
as a 3rd Class Draftsman, as he obtained
in the subject "Drawing and Estimating"
more than 50 per cent of the marks,
and more than 33 per cent on each head.

3. I am myself inclined to consider
that in consideration of his knowledge
of cognate subjects, a man who has passed
as an engineer should be eligible for appoint-
ment as Draftsman or Surveyor in the
Grade next above that to which his actual
marks in each of the subjects "Drawing" &
"Surveying" would by themselves entitle him.

I have the honor to be

Sir

Your most obedient servant,

(Signed) H. D. Lowe Lieut. R.E.

Principal

1800/18

No. 2476.

North Arcot Division
Exec: Engineer's Office
Vellore 9th March 1882.

From, The Executive Engineer
North Arcot Division

To, The Superintending Engineer
4th Circle
Coimbatore.

Sir,

I have the honor to request
that, you will be pleased to obtain sanction
of Government, to authorize the Examiner
Public Works Accounts to pass the pay
of M. P. Balarama Naicker for the
period he acted as Head Draftsman of
this Division on a salary Rupees 50.

2. The Examiner Public Works Accounts
has disallowed audit of the pay of the
individual from 16th to 31st January
1882 pending the receipt of information as
to authority under which M. P. Balarama
Naicker who has passed for Salary over-
seer has been appointed to act for
Draftsman.

3. My letter to your address No. 1950
14-1-82 explains as regards the appointment
of

Enclosure 1
1 Copy of Letter
x From 16th January
to 30th February 1882

of this man, but as regards his eligibility to hold the appointment, I am sorry that, he is not qualified to hold an appointment higher than that of 3^d class Draftsman, as is stated by the Principal L. C. College (copy of whose letter is herein enclosed).

4. I have been hitherto laboring under the impression that, persons who have qualified for the Post of Taluk Overseer may be employed as Draftsman, and under this impression I acted in the present instance, also seeing that, the difficulty in procuring duly qualified persons for such a short period as that under notice.

Under the above circumstances I request that you will be so good as to get necessary sanction of Government in the matter.

I have &c &c

Signed, W. R. Norris
Brce: Capt. D. A. D. 7

No: 109

True Copy — Forwarded to the Chief Engineer

Engineers with a request that the orders of Government may be asked for to allow M. P. Balaram Naicker to draw the pay Rs 50 a month from the 16th January to 19th February 1882 being the period he acted as Draftsman in North Arcot Division Office.

The North Arcot Division's Draftsman died suddenly and there was no qualified man available for the appointment until the 20th February 1882.
