Sir,

I have the honor to request that a sum of Rs 200 from the allotment of Rs 1360 sanctioned for the Police Station House at Sivalaperi in the Tirunelveli Dy may be withdrawn. The Sec-
-utive Engineer reports that the above sum will not be required this year, partly owing to savings on the Estimate, and partly due to unexpected delay in getting the work finished.

8TH MARCH 1882, No. 279, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following extract, paragraphs 1 to 3, from a letter from the Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Accountant-General, Bombay, dated the 22nd February 1882, No. 1098, and Endorsement by R. LOGAN, Esq., Officiating Under Secretary to the Government of India:—

I am directed to acknowledge the receipt of your letter, No. 16642 L.A., dated 25th January 1882, inquiring (1) what is the maximum number of servants which an officer receiving actual travelling expenses for a specified journey is entitled to carry with him at the public expense; and (2) whether charges for horses, tents, and carriages are admissible in such cases, and if so, to what extent.

2. With reference to the first of these questions, I am to say that an officer who receives "actual expenses" only should, for journeys by road or rail, be subject to the same restriction as to the number of servants which he may carry as he is when travelling by sea or in a river steamer.

3. As regards the second point, I am to invite your attention to the Resolution of the Government of India in this Department, No. 3942, dated 1st November 1881, regarding the carriage of tents and horses of officers travelling on duty, which covers all cases of deputation of officers on special duty. The conveyance of carriages at the public expense is not ordinarily admissible.

Endorsement.

Copy of the foregoing extract forwarded to the other Departments of the Government of India, the several Local Governments and Administrations, the Heads* of the Departments under the Financial Department, the Comptroller-General, and the several Accountants-General and Comptrollers for information and guidance.

ORDER—dated 8th March 1882, No. 279, Financial.
