Read the following papers:—

No. 222. Proceedings of the Madras Government in the Financial Department, dated 26th April 1881, No. 726.

Read the following Proceedings of the Board of Revenue, dated 8th February 1881, No. 1254 Miscellaneous.

Read the following letter from the Collector of Bellary, to the Secretary to the Board of Revenue, dated 27th January 1881, No. 326.

I HAVE the honor to propose that the Bellary Tank should be declared, under Section 15 of the Towns Improvement Act, to be transferred to the Municipal Commissioners of the town of Bellary.

The tank in question is used purely for domestic purposes, the large bazaar of Bruce Pettah being situated immediately below the bund. There are the remains of an old sluice in the bund, but no irrigation has been carried on from it for many years past, and it is now blocked up.

It has never been formally made over to the Commissioners so far as I can discover, and it is especially desirable that the ownership of it and the consequent obligation to keep the bund in repair should be definitely settled, because a breach of the bund would probably cause immense damage to property. The bund is in fair order at present; although the tank has not hitherto been transferred, Commissioners some years ago incurred a large expenditure in an attempt to improve its supply.

A draft notification * is enclosed for publication in the event of my proposal being approved.

* With plan attached.

Copy of a resolution of the Commissioners, expressing their readiness to take over the tank, is appended.

SUBMITTED for the orders of Government.

2. The Board support the proposal.
