Under Secy. to the Govt of India.

No. 1975, dated 15th December 1881.

RESOLUTION,—By the Government of India, Department of Finance and Commerce.

Read the undermentioned papers regarding the supply of envelopes for use in the various Government Offices in India:—

Letter to the Government of Bombay, No. 2560, dated 24th August 1881.
" from " " 3364, " 13th September "
" to " " 3329, " 30th " "
" from " " 4126, " 5th November "
" to the Superintendent of Stationery, Calcutta, No. 3330, dated 30th September 1881.
" from " " 3887, " 15th November "

RESOLUTION.—The Governor General in Council observes that envelopes made of country paper are good enough for all ordinary purposes, and that it is expedient to extend their use in all Government Offices, including the Secretariat Offices of the Government of India and of Local Governments, and to very largely reduce the indents for envelopes made of English paper. His Excellency in Council accordingly requests that the several Superintendents of Stationery may be instructed to supply in future only 20 per cent. of the requisitions made on them for envelopes of English paper, provided the quantity stated in those requisitions does not exceed the average quantity hitherto supplied. Where the quantity is in excess of present requirements, a further proportional reduction should be made. The balance of the indents should consist of envelopes of Indian paper.

ORDERED, that the foregoing Resolution be communicated to all Local Governments and Administrations for information and guidance.

Also to the several Departments of the Government of India.
