Read the following paper :—

No. 37. From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 4th November 1881, No. 155 W.

I HAVE the honor to forward (to be returned) letter No. 4,231, dated 27th October 1881, from the Accountant-General, Madras, in which he asks me to co-operate with him in endeavouring to reconcile the differences which exist between the Civil and Public Works Departments in exchange accounts.

2. The transactions which will have to be analyzed go back as far as 1865-66, so that the work will be tedious, and must take fully a year at least to complete.

3. The subject matter of G.O., No. 1860 W. of 28th July 1881, bears partly on these differences, and we cannot clear our miscellaneous advance account till the Civil Department and this Department are agreed as to the share of the differences which each should bear.

4. In view to meet the wishes of the local Accountant-General, I beg to request that Government will be pleased to sanction Rs. 200 a month to the close of the current financial year for temporary establishment, to work concurrently with the men entertained for the purpose by the Accountant-General, the grant to be renewed next year, 1882-83, for such further period as may be necessary.

5. Early orders solicited.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Examiner of Public Works Accounts, dated Fort St. George, 27th October 1881, No. 4,231.

THE Inspector of Local Account Offices during his recent inspection of this office noticed that the arrears connected with the Public Works Accounts current were very heavy, and the Comptroller-General in communicating to me his remarks on the Inspector's report has directed me to apply immediately for an additional temporary establishment with a view to clearing off all these arrears and effecting an adjustment between the Civil and Public Works Accounts. I am accordingly applying for a temporary establishment of four clerks which will cost Rs. 200 a month for six months, subject to further extension if found necessary, and I shall feel obliged if you can arrange to have four clerks also, so that we may commence the work at the same time.

No. 38. ORDER THEREON, 7th November 1881, No. 2756 W.

THE proposals of the Examiner of Public Works Accounts are sanctioned.

2. An appropriation of Rs. 800 is made from the grant for temporary establishment to meet the cost during the current official year.

3. The scale of establishment proposed to be entertained should be reported.

4. This sanction has been registered as Provincial No. 39 W., of 1881-82 and classified as Establishment.
