SEPTEMBER.

Twenty-five Years' Order.—Letter from Govern-
ment of India stating that the Local Government
should decide cases where the Medical Officer and
a candidate for employment differ as regards the
age of the latter, recorded.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

10th September 1881, No. 1688.

Twenty-five Years' Order.

Read the following paper:—

From S. JACOB, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Chief Secretary to Government, dated Simla, 27th August 1881, No. 2609 [Current No. 2378].

In reply to your letter, No. 1413, dated 3rd August 1881, I am directed to say that it is intended by Section 102, Rule 4, of the Civil Pension Code, that cases where the Medical Officer has stated that a person is by appearance above twenty-five years of age should be submitted to Government for orders, though there be no occasion to doubt the person's statement as to his real age. As stated in your letter, the opinion of the Medical Officer is only to be regarded as determining a person's age where no certificate of birth exists, or where there is room for suspecting the person's statement. But the Accountant-General cannot tell which evidence is best; the matter must, therefore, be decided by the Local Government on the case being brought to its notice by the Accountant-General.

Copy forwarded to the Accountant-General, Madras.

ORDER THEREON, 10th September 1881, No. 1688.

Recorded.

2. The Accountant-General is authorized to withdraw his objection to the appointment of the Amin referred to in G.O., No. 1265, dated 7th July 1881.
