GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

31st March 1882, No. 865 W.

General
Establishment.

Read the following paper:—

No. 246. From Major J. PENNYCUICK, R.E., Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Bellary, 27th March 1882, No. 640.

I HAVE the honor to request sanction to the entertainment of three lascars under Mr. Garrett, Executive Engineer, in charge C. Project Division.

2. The employment of these lascars was sanctioned by myself under the impression that they were provided for in the authorised scale of establishment, but their pay has been objected to by the Examiner, and on reference to the scale at page 4 of Appendix B. to G.O., No. 1729 W. of 14th July last, it appears that no lascars are provided for the Project Divisions.

3. It is not quite clear whether this is intentional or an oversight, but lascars are at least as necessary for these divisions as for any others.

No. 247. ORDER THEREON, 31st March 1882, No. 865 W.

THE entertainment of three lascars for the C. Project Division is sanctioned. They will be charged against the budget provision of 10 per cent. for contingencies.

2. The sanction has been registered as No. 1 W. of 1882-83 and classified as Establishment.
