PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from the Inspector General of Registration dated 20 March 82 No 871.

In G.O. of 3d February 1881 No 257, sanction was given for an outlay of Rs 300 for providing additional accommodation for the Sub Registry office at Ettiorapuram in the Tinnevelly Dt. The Registrar now submits a revised estimate for Rs 425. The Sub Registrar of Ettiorapuram who undertook the work departmentally explains that on carrying out the additions, the rates allowed in the original estimate for brick and timber work were found insufficient. He ought to have reported

this at once, and obtained the requisite sanction, but failed to do so in consequence of his absence on leave in connection with his mother's illness and death at Madras.

2. In sending up the original estimate I remarked:-

"The plan and estimate have been prepared by the Sub Registrar who has had no training for such work and I am unable from the want of data to check the rates in the estimate."

Under the circumstances explained by the Sub Registrar, I have the honor to recommend that the sanction of the Government may be obtained for the additional expenditure of Rs 125 to be met from the allotment for petty construction and repairs.

3. I would also recommend that instructions be issued to the Public Works Department to have the work done valued by an officer of that dept.

Order thereon 29 March 1902 No. 469 R

The additional expenditure of Rs 125 is sanctioned.

2. In accordance with the recommendation made in para 3, the Public Works Department will be requested to have the work valued.
