Sir,

Dowlaiswaram 21 March 1882.

Mathew Lantich Smith fore.

A man in the Workshops Dorolashuaram
having been retired on pension from
17th January last the Executive Engineer
requests sanction to appoint in his place
a man named Putta Bashim from
forenoon of 18th January 1882.

2. This man has since 1867 been employed in various temporary appointments on the Upper Godavari and Delta works and he is undoubtedly well fitted for the post and as the Executive Engineer says that no one is available ^{who} is nearly so well fitted I would at once sanction the appointment were it not that Bashiem is upwards

Desp'to 3-4-82.
